

# WA LEAVERS CELEBRATIONS

## ALCOHOL AND OTHER DRUG USE AND RELATED HARM

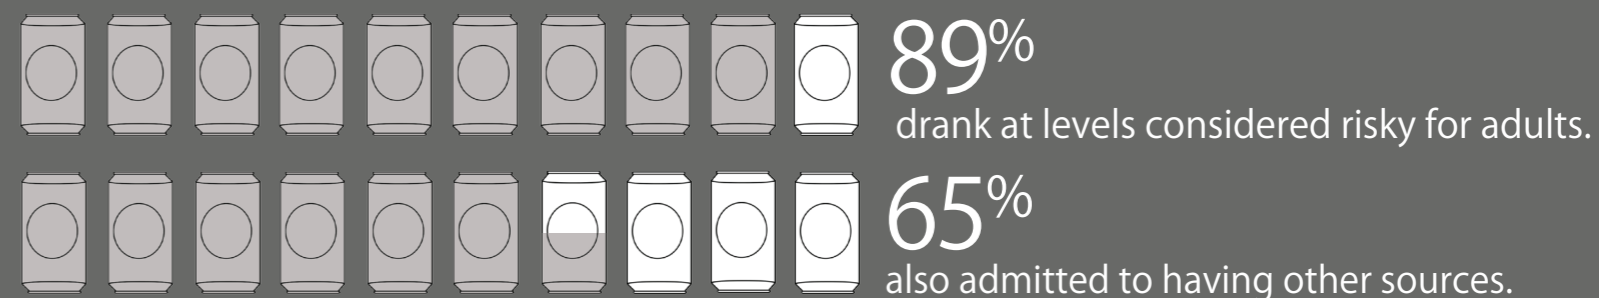

**Not using alcohol or other drugs is the safest choice.**

This is the best way to ensure the Leavers' celebrations are a positive and memorable experience.

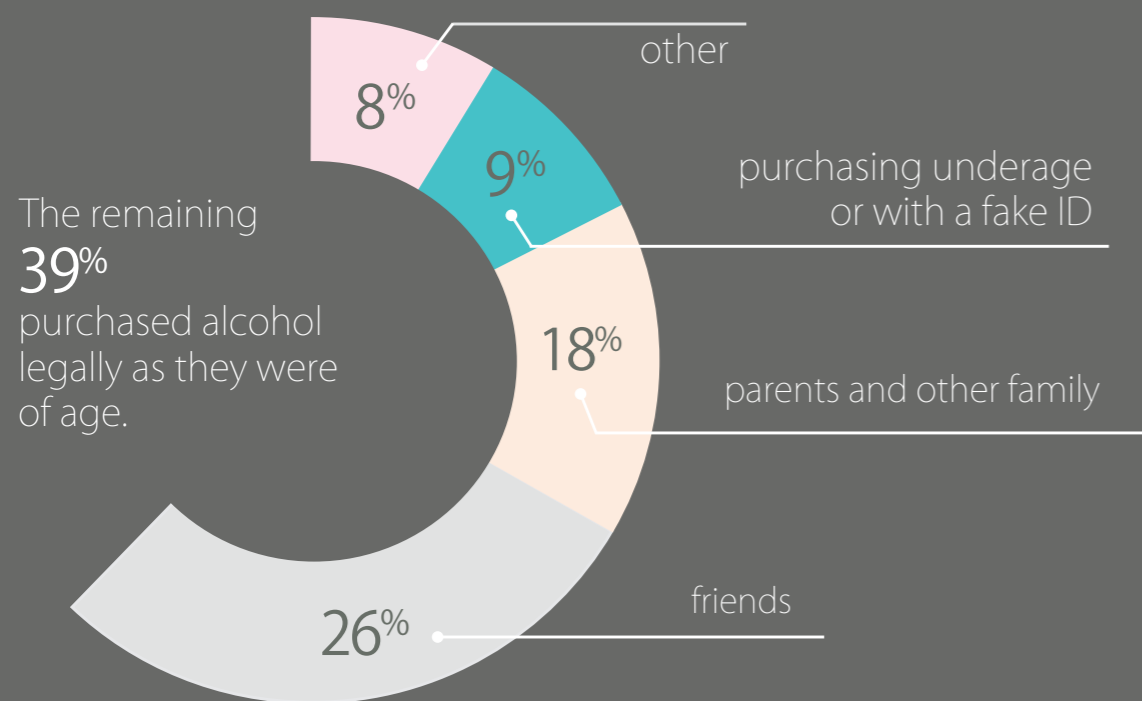

Of those attending Leavers celebrations, approximately:

Research shows that of leavers' who were supplied alcohol by their parents:

Leavers reported obtaining alcohol from:

Almost **9 in 10** leavers' reported at least one negative experience due to their alcohol or other drug use.

41%  
accident or injury

67%  
hangover

50%  
of all presentations to the Leavers' medical area in 2018 were alcohol-related. Other drug-related concerns accounted for almost 1 in every 10 presentations.

35%  
regrettable and/or unprotected sex

45%  
emotional outburst

58%  
blackout

**NO ONE SHOULD GIVE ALCOHOL TO UNDER 18s.**
